This is my pre-authorization to process a Late Disbursement of funds I have accepted without any additional authorizations or delays. A Late Disbursement of free aid or loan funds occurs when I accepted those funds but, for processing reasons, the disbursement of those funds are delayed until after I stop attending the school or the term ends. I authorize those funds to pay any unpaid charges on my student account and refund to me any remaining funds via the method I have established. If I no longer need the funds or wish to decline the funds, I will do so by notifying the school at: https://financialaid.arizona.edu/contact/email with the amount I wish to cancel and my student ID number. I understand that any loans I accept must be repaid with interest. Failure to repay my student loans will result in a loan default which will negatively affect my creditworthiness for other types of loans. I understand that I am not required to borrow and can reduce or cancel the loan. The loan amounts accepted are consistent with my long-term plans for student loan debt. I authorize these loans.
